Collector of South Kanara.

Land Revenue and Settlement,
M a d r a s.

Sir,

Allowances - Religious - Coondapoor Taluk - Institution No.389 Chittari Brahma - Readmission.

******

The institution Chittari Brahma of Rattadi village ---- which has an allowance of Rs.6/- per annum was struck off the register in 1929, as the tasdik had not been claimed for over six years. The former moktessor died in 1921. His brother Sannaya Shetty has now obtained a sanad from the District ---- Temple Committee and the Tahsildar recommends that he may be - paid the arrears of the last six years, as he has been keeping the institution in repairs and conducting the services regularly

As regards the delay in applying for arrears, it has -- been represented that Sannaya Shetty tried to get a sanad from the old Nadavar Committee to which the institution belonged but did not succeed, and that he could apply for arrears only after getting a sanad from the Temple Committee. In view of the -- fact that Sannaya Shetty could not apply earlier for payment of tasdik owing to this disability and as services have been ---- regularly conducted and the institution is kept in repairs, I recommend that he may be given the allowances of the last six years subject to the usual deductions.

For Collector.
